Dear Board President MacAvoy,

It is a great pleasure to inform you that the County Superintendent of Schools has approved the Redwood City Elementary School District Local Control Accountability Plan (LCAP) for the 2016-17 school year, pursuant to Education Code (EC) Section 52070.5(d).

As you know, the County Superintendent is required to review and approve the LCAP prior to the approval of the LEA's adopted budget per EC Section 1622(b)(1)(C). You will receive an additional notification when the corresponding budget is approved.

On behalf of the County Superintendent, we would like to thank you and the Redwood City Elementary School District staff for their efforts towards continuing to increase student achievement and opportunities for every student to have a world-class education. In this continually evolving process, we believe that the work the district team engaged in this year resulted in a stronger, more comprehensive district plan that will result in improved experiences for students, families, and district staff.

Your Board approved LCAP has been posted on our SMCOE website.

If you have any questions regarding this process, please contact us.

Sincerely,

Gary Waddell
