## Continuing Education Units (CEUs) Through St. Mary's College

Dear SMCOE Professional Development Participant:

The Continuing Education Unit is a nationally recognized unit designed to provide a record of an individual's continuing education and/or professional growth accomplishments.

SMCOE Educational Services/Curriculum & Instruction Services offers CEUs through St. Mary's College for professional learning hours for several of our events (Math Articulation, Project Based Learning, SMELC, etc.)

Ten hours of instruction equals one (1) Continuing Education Unit.  
The cost for up to one (1) Continuing Education Unit is \$50.

Please visit [SMCOE Events Calendar](#) for upcoming events.

CEU Courses DO NOT carry academic credit. Continuing Education Units are *sometimes* part of criteria used for promotion in *some* school districts. Please contact your district HR to find out more information. Saint Mary's College does not issue transcripts for Continuing Education Courses.

For more information about CEUs offered by the Curriculum & Instruction Services program, please contact:
