

Developing a Clear Message about Smarter Balanced Results

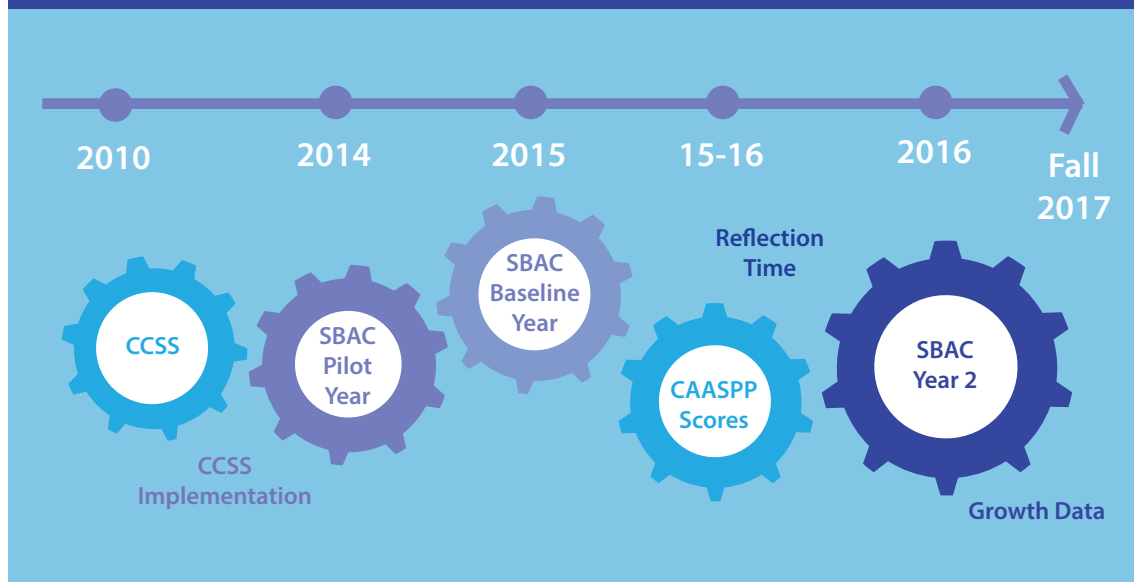

Understand the Big Picture

Field Test ----- Full Implementation

Understand the Real Picture

Deliver Clear Messages

- Parents will receive individual student scores in late summer or early fall
- CAASPP student results establish a baseline for measuring student growth
- Raising the bar for all students requires reflection and intention and that means time
- SBAC formative resources can be used to inform daily instruction
- The school community will engage in meaningful dialogue about student learning
- School community will establish priorities to improve student achievement
