Civil Defense and Disaster Preparedness Plans

The Superintendent or designee shall establish and maintain a disaster preparedness plan which details provisions for handling emergencies and disasters as they affect schools and programs operated by the Superintendent.

The plan shall be consistent with the guidelines established in California’s Standardized Emergency Management System, and shall integrate the procedures of the National Emergency Management System.

The plan shall confirm that all employees of the Superintendent are Disaster Service Workers, as defined by the California Emergencies Services Act, and are subject to such disaster service activities as may be rightfully assigned to them and that all employees shall be required to subscribe to the oath or affirmation required by the Act. The plan shall provide for appropriate training of employees.
