Medical Assistance or Aid

Where a student’s health appraisal indicates the possibility that an emergency situation might arise necessitating rendering of medical assistance or aid, the Superintendent or designee shall obtain from the child’s parent or guardian a signed statement of medical instructions as to what course of action is to be taken by staff, with a “hold harmless” clause for action taken in accordance with such instructions. Appropriate forms are to be utilized to document instructions which shall conform with the California Nursing Practice Act.
