3. Public Comment

- Superintendent Magee thanked everyone involved with the coordination of vaccinations for early learning and child care. She also provided an update that the vaccine supply coming into the county is slowing due to the state's new allocation plan. Efforts are being made to ensure everyone on the TK-12 priority list, as well as childcare/early learning and youth in the SMCOE system have access to vaccines.
- Heather Cleary announced that Peninsula Family Service, in partnership with First 5 San Mateo, launched a free vaccine taxi program. Early educators who need transportation to a vaccine appointment can get a voucher.
- Sarah Poulain shared that Family Connections, in partnership with Open Minds School, were awarded Learning Hub Expansion Funding. Sarah expressed gratitude for the funds and for being able to conduct in-person care.
- Kristen Anderson announced that on March 22 the Redwood City Council will be hearing proposed zoning code amendments related to supporting childcare development in the city. Kristen asked for childcare providers to send in a comment or attend the city council meeting to speak in support of these policies. Additionally, prior to the Council meeting, from 6 - 7:00 pm, there will be a Council study session on land use economics.

4. Coordinator's Report

Sarah Kinahan reviewed highlights from the Coordinator's report included as Attachment #2 in the packet for the March 15, 2021 meeting.

5. Zip Code Priorities for 2021-22

Sarah reviewed the updated San Mateo County Zip Code Priorities. The California Department of Education provides guidance on setting these priorities in CDE Management Bulletin 15-04. These are priorities that pertain to Infant/Toddler Care, Preschool, and School-Age Care. Zip Code Priorities can be updated annually, or current priorities can carryover from year to year. Our local priorities have not been updated since 2017-18. The data used to determine Zip Code Priorities is primarily from the 2018 American Community Survey.

The formula for priority designations is as follows for Counties with 200,000 < 1 million residents:

- **Priority 1:** 40% or more of eligible children underserved, and more than 150 children (for infant/toddler and preschool) or 200 (school age) underserved.
- **Priority 2:** 25% or more of eligible children underserved, and more than 75 children (infant/toddler and preschool) or 100 children (school age) underserved.
- **Priority 3:**
 - **Option 1:** 25% or more of eligible children underserved, and more than 50 children underserved.
 - **Option 2:** All other zip codes in the county.
 - **Option 3:** No other zip codes in the county.

After reviewing the proposed Zip Code Priorities for 2021-2022 and discussion and input from the group, Coordinator Sarah Kinahan asked for them to be approved.

6. Action to Approve the Zip Code Priorities for 2021-22

MOTION: PIFELETI/ SECOND: ALDEN

AYES (ROLL CALL VOTE): Karen Alden, Michelle Blakely, Julie Cates, Heather Cleary, David Fleishman, Karen Haas-Foletta, Heather Hopkins, Superintendent Nancy Magee, Christine Padilla, Jenifer Pifeleti, Supervisor Dave Pine, Sarah Poulain, Jennifer Rogers, Elizabeth Scully, Christine Thorsteinson, Guillermo Vasquez

NOES: NONE

ABSTAIN: NONE

MOTION APPROVED.

7. Presentation on SMCCCD Apprenticeship Program

Tina Watts and Kristina Brower from Skyline College presented on the San Mateo County Community College District Apprenticeship Model. This will be a county-wide apprenticeship program that will include working with multiple employers. Apprentices will receive on-the-job training with an experienced mentor for no less than a year. Participants will receive compensation while working. Apprentices will receive rewards for skills gained, including increased wages as they gain higher skill levels. Upon completion of the registered apprenticeship program, participants will receive a nationally recognized credential. Students will complete the apprenticeship as part of a cohort.

The apprenticeship program will aim to ensure that students are well trained, well educated, and elevated in the field. Research demonstrates that teachers improve and have greater longevity in the field when they continue to be mentored. Additional supports are provided to students in the form of academic support resources (stackable certificates, transferable degrees), Student Services Resources (financial, technological, English-learning support), and Child Development Center Resources (practical experiences and making connections with community resources.)

The apprenticeship program is designed to provide an Associate’s degree and to get students transfer-ready to move on to a BA program. A 3-year program has been designed, including a pre-apprenticeship to on-board students who require additional English, math, and technological supports. Participants will achieve the following: Year 1 - Associate Teacher Permit; Year 2 - Teacher Permit; and Year 3 - Master Teacher Permit and an Associate’s degree for transfer. The apprenticeship program will roll out over five years, with a small pilot in the first year. By Year 5, they hope to include a broad range of employers, including family child care.

Coordinator Sarah Kinahan can share Tina and Kristina’s presentation slides with the CCPC email list.

8. CCPC’s Equity Statement

Coordinator Sarah Kinahan presented an amendment to the CCPC Strategic Plan to include new language illuminating the CCPC’s approach on equity. The proposed language to be added to the strategic plan was developed in partnership with the CCPC sub-committees.

After reviewing the proposed amendment to the CCPC Strategic Plan, Sarah asked for the “CCPC Approach to Equity” statement to be approved.

9. Action to add the new CCPC Equity Statement to the CCPC Strategic Plan

MOTION: BLAKELY/ SECOND: CATES

AYES (ROLL CALL VOTE): Karen Alden, Michelle Blakely, Julie Cates, Heather Cleary, David Fleishman, Karen Haas-Foletta, Heather Hopkins, Superintendent Nancy Magee, Christine Padilla, Jenifer Pifeleti, Supervisor Dave Pine, Jennifer Rogers, Elizabeth Scully, Christine Thorsteinson, Guillermo Vasquez

Members of the Public: Kristen Anderson, Diana Harlick, Lisa Shaanan, Randy Torrijos

Staff/Minutes: Sarah Kinahan

1. Call to Order

Michelle Blakely called the meeting to order at 1:02 PM.

2. Review of Pending State Legislation

- AB 22 – Per Sarah Kinahan’s suggestion and based on the number of groups opposing this bill, we will continue to watch, rather than support at this time. The group would like there to be a community-wide forum to discuss the future of Transitional Kindergarten (TK) and preschool and how to best serve 4 year olds. It was noted that although SB 50 (a complimentary bill to AB 22) will help state-funded programs transition to serving younger children with CSPP funding, private programs who potentially will lose children to TK are not helped by SB 50. The group felt that maintaining parental choice of early education setting (preschool vs TK) is also important. The group would like to see some of the opposition letters.
- AB 92 – Christine Thorsteinson shared information on amendments to the bill. It would establish a Task Force to set reasonable family fees with a cap on the percentage of income that would be spent on fees. It would eliminate fees entirely through 2022 and make sure providers are not taking the hit financially for that waiver of fees. Silicon Valley Community Foundation and the First 5 Association are both supporting. The group recommended that CCPC support this bill.
- AB 99 – Per Julie Cates’ suggestion, we will add AB 99 to our list of bills to closely monitor and will consider a support or watch position at our next meeting.
- AB 321 – The group will continue to watch to see if language is amended to address our concern that high-income English Language Learners would be taking spaces in CSPP.
- AB 1112 – The group decided to support this bill.
- SB 50 – The group decided to support this bill.

- SB 328 – The group decided to watch this bill to see if CA Afterschool Advocacy Alliance takes a position. This bill doesn't seem to have a large impact on programs in San Mateo County.

3. Next Steps

Sarah will send out a doodle to schedule another quick meeting to talk about:

- AB 99
- AB 865
- AB 1345
- AB 1363
- Planning for a community forum on serving 4 year olds in preschool and TK

4. Adjournment

Michelle Blakely adjourned the meeting at 1:30 PM.

Virtual Meeting via Zoom**

CCPC Members Present: Karen Alden, Michelle Blakely (Chair), Julie Cates, Heather Cleary, Christine Padilla, Jennifer Pifeleti, Christine Thorsteinson

Members of the Public: Kristen Anderson, Diana Harlick, Anna Powell, Lisa Shaanan, Randy Torrijos

Staff/Minutes: Sarah Kinahan

1. Call to Order

Michelle Blakely called the meeting to order at 2:03 PM.

2. Review of Pending State Legislation

- AB 22 – The group reviewed some of the points of opposition to this bill and recommended that this be put on the agenda for the May 17 CCPC meeting for a large group discussion, along with other major bills related to early learning and care, such as SB 50 and SB 246.
- AB 99 – The group discussed this bill and recommended continuing to watch it. The Governor’s budget also includes funding for the Cradle-to-Career Data System. Julie will share the bill analysis with the group via email.
- AB 1345 – The group agreed that we would support if asked to sign-on to a support letter.
- AB 1363 – The group expressed concerns about this bill requiring new data collection from state-funded providers without increasing their funding amounts. Sarah will share bill analysis and fact sheet with the group and we will continue to watch.
- SB 725 – The group requested more information and recommended watching this bill. Sarah will share additional information via email.
- The group recommended that we be ready to pivot to budget advocacy next month.

3. Adjournment

Michelle Blakely adjourned the meeting at 2:56 PM.
