3. Leadership and Impact Committee Updates and Check-in (Michelle Blakely)

The group discussed in general the status of the CA state budget with the concerns over the status of the reimbursement rate ask. Negotiations seems to have stalled. Christine T. shared concerns and SVCF's letter to the legislators. Other coalitions and advocacy efforts are reinforcing the ask as well (F5 Associations etc.) It appears this year's budget and legislative session will have a lot of trailer bills.

Kristen A. updated that facilities budget asks seem to be in good shape. \$250m from CA general fund and federal funding. Also, will have trailer bill language.

Transitional Kindergarten: It appears very likely this will pass.

4. Analysis of CCPC's Strategic Goal Area: Leadership & Impact (Michelle Blakely)

Notes provided on CCPC Input Form.

6. Discuss Emerging Hot Topics (All)

Jennifer Pifeleti, Izzi, expressed the need for health guidance and or clarification around the 6 feet distance between cots at nap time. Will be hard to comply and have full enrollment. The language "to the best extend possible" was not included in this section. Jennifer was encouraged to reach out to Sheryl Chan although everyone is waiting for further updates and clarification.

7. Adjournment

Michelle Blakely adjourned the meeting at 10:25am.
