

SAN MATEO COUNTY OFFICE OF EDUCATION DIRECTOR, SCHOOL PROGRAMS

BASIC FUNCTION:

Under the direction of an Executive Director, the Director of School Programs, will support San Mateo County Office of Education (SMCOE) student programs and SMCOE-operated school site leaders in planning and delivering high quality educational programs for students in programs such as; Court & Community, Early Childhood, and Special Education programs. This instructional leader will help plan and support a high quality instructional program that prioritizes inclusive opportunities and student independence, ensure adherence to all applicable state and Federal regulations, and collaborate with partner school districts to understand and respond to service needs. The Director of School Programs will provide targeted leadership in the areas of IEP/IFSP support, LCAP development, WASC accreditation, positive family engagement, and development of evidence-based assessment and instructional practices.

REQUIRED QUALIFICATIONS

EDUCATION AND EXPERIENCE:

- Master's degree or equivalent from an accredited college or university in education or related field applicable to the position
- Minimum of three (3) years of experience as a site and/or district office administrator
- Five or more years of teaching experience at the PK-12 level; Secondary experience preferred

LICENSES OR OTHER REQUIREMENTS:

- Valid California Administrative Services Credential required
- Current California Driver's License

ESSENTIAL DUTIES:

- Assist in the oversight and management of SMCOE Student Services programs;
- Drive continuous improvement and achieve strong student outcomes, provide support in the development and implementation of evidence-based and best practices;
- Help coordinate and align professional development;
- Develop and coordinate assessments with internal and external accountability measures;
- Assist site administrators in professional growth as instructional leaders by providing ongoing coaching and mentoring;
- Supervise and evaluate school site leaders;
- Promote practices that strengthen relationships, establish high expectations, and provide for meaningful student participation;
- Collaborate with all stakeholders including students, parents, teachers, administrators, support staff, school districts, and outside agencies;
- Support effective conflict resolution through mediation practices and formal dispute resolution;
- Work collaboratively with SMCOE colleagues within and across divisions to support continuously improving student achievement and create high quality post-secondary opportunities for all students;
- Utilize the Multi-Tiered System of Support (MTSS) framework to assist SMCOE-operated schools in aligning academic and social, emotional, and behavioral barriers to learning;
- Lead program staff to analyze a variety of data in order to identify barriers to learning;
- Use student and program data to identify appropriate core instructional strategies and interventions;

- Stay current with evidence-based strategies and standards related to Special Education and related laws, codes, regulations, policies, and procedures;
- Coordinate and/or conduct a variety of special projects, as assigned;
- Develop, manage, and monitor budgets from multiple funding sources;
- Collaborate across divisions to support and implement effective fiscal and personnel-related policies and procedures;
- Represent SMCOE at state and regional conferences and convenings, as requested;
- Other related duties as assigned.
