

PENINSULA ATHLETIC LEAGUE SPORTSMANSHIP POLICY

The Peninsula Athletic League Board of Managers recognizes that individual school administrators retain primary responsibility for the conduct of all interscholastic athletic activities in which their school participates. Such responsibility includes the behavior of all participants: players, coaches, representative student groups and spectators.

- (1) Players and coaches are expected to conduct themselves in a manner which shall bring credit to themselves, their schools, communities, coaches and families. They shall refrain from all conduct, which tends to degrade, bait, intimidate, or otherwise discredit opponents and officials.
- (2) Coaches are expected to maintain decorum consistent with the educational values of interscholastic athletics. By personal example, coaches are expected to demonstrate their awareness of these values by showing restraint and composure in the emotional climate of an athletic contest and to insist that players in their charge conduct themselves in a sportsmanlike manner.
- (3) Responsible member school personnel are expected to instruct and supervise the conduct of student sport leaders, rooting sections, bands, and other student groups in order to achieve an atmosphere consistent with good sportsmanship. School administrators are expected to control or cause to be controlled spectators in such a manner that all athletic contests are conducted in an atmosphere, which is consistent with the education values of inter-scholastic athletics.
- (4) Good sportsmanship includes being gracious winners. To promote this value organized excessive demonstrations of celebration are prohibited by athletes, coaches, and fans following any athletic contest. It is the responsibility of each school; in particular, the administrative and coaching staff, to enforce this policy with review of compliance by the league commissioner.
- (5) Flagrant instances of unsportsmanlike behavior on the part of players, coaches, officials and/or fans should be reported by game officials and/or school principal(s) to the Peninsula Athletic League Board of Managers through the Peninsula Athletic League Commissioner within twenty-four hours following the incident(s).
