

BOYS GOLF

1. FORMAT OF COMPETITION

- 1.1. The league shall be divided into two divisions, Bay and Ocean. The divisions shall be determined by strength of program recommended by the coaches and approved by the Board of Managers. The determination of league placement shall be reviewed every year.

2. RULES

- 2.1. Except as modified by these bylaws, the current edition of the United States Golf Association shall govern all play. The USGA refers to the “committee” in The Rules of Golf. The PAL shall define the “committee” as the Director of Golf and the chairperson of the Bay and Ocean.

- 2.1.1. A coach who disagrees with the interpretation of golf rules or bylaws at a league match must make opposing coach aware they are in disagreement and declare that match “disputed”. Disputed match results are not final. A disputed match is settled by the “committee” once a written explanation of the events are emailed within 24 hours to the Director of Golf. A coach who disagrees with the “committees” decision can protest to the league commissioner.

- 2.2. There shall be one (1) recognized team, consisting of six (6) players for all league matches.

- 2.3. Definitions “rules of play”. Must be announced by the match director prior to the start of play. In the absence of such an announcement, ball will be played down in accordance with Summer rules.

- 2.3.1. Summer Rules – Play ball “down” in accordance with USGA rules.

- 2.3.2. Winter (“lift-clean-place”) - Local course rules. Players may mark, lift, clean and place ball within 6” of original spot, no closer to the hole. Balls assumed to be embedded and not found are lost balls. Winter rules are applicable “through the green” (the whole area of the course except: the teeing ground and putting green of the hole being played and all hazards on the course). Winter rules may or may not be accompanied by the embedded ball rule. Embedded Ball Rule - Must be accompanied by Winter rules and is therefore applicable “through the green”. “4 sets of eyes on each shot”. Ball must be seen to “strike the course” and bounce ... blind or difficult to observe shots may require four caddies (coach(es)). Fellow competitors (at least one from each team) must agree that the ball struck course “in play” and that it is embedded and could not be found. The player will drop a ball nearest the estimated spot of the original embedded ball and continue play without penalty.

- 2.4. Expected Pace of Play - Each coach will establish a reasonable Pace of Play for their golf course. Golfers and the opposing coach must be informed of the Expected Pace of Play prior to teeing off on the 1st hole. Coaches may mutually agree to adjust the Expected Pace of Play, taking into consideration weather, course conditions, course layout (short par 5's, long or difficult par 3's), course topography, level of play, etc...).

- 2.4.1. Record start time and target time for each group.

- 2.4.2. First group must adhere to the Expected Pace of Play (+15 minutes).

- 2.4.3. Each subsequent group must maintain contact with the group in front (+15 minutes) or maintain the Expected Pace of Play. Note: (2.4.3 applies to the first group of a match or tournament if another group is playing in front of them).

- 2.4.4. Failure of group to meet Expected Pace of Play - (9 hole match: add 1 stroke to each player's

score; coaches are suggested to provide a “check point” at the 4th or 5th hole.18 hole tournament)

2.4.4.1. Front 9 – add 1 stroke to each player's score

2.4.4.2. Back 9 (not penalized on front 9) – add 1 stroke to each player's score

2.4.4.3. Back 9 (+1 stroke on front) – add 2 strokes to each players score (total penalty = 3 strokes)

2.4.5. A player concerned about a slow player(s) in his group should first speak with the player(s) and encourage them to play more efficiently. Then, the concerned player may ask a coach to marshal their group. The individual player does not have to be identified; the request just needs to be made. Once a group is marshaled for slow play and an individual player is identified as holding up the pace of the group, penalties may be applied to that player and rescinded from the others

2.4.6. Penalty strokes for failure to meet the Expected Pace of Play must be added to each player's score prior to the players signing and attesting their scorecards.

2.5. For PAL league competition, the following special rulings shall apply:

2.5.1. All play shall be medal play, with no handicap, and scoring shall be determined by the total aggregate score of the best five (5) out of six (6) players for each team. The highest score will not count in team total.

Appropriate shorts may be worn if the golf course permits ("cargo" shorts or "short" shorts are not allowed) to be decided at the discretion of match or golf course management. Each golfer will keep their opponent's official score as well as their own unofficial score on the card. Recommend that scores be checked and compared at the end of each hole. Dual match scoring shall be used to determine the winner of the PAL – CCS Playoff. The winner of the PAL/CCS Playoff will be the PAL's second automatic qualifier to the Central Coast Section Regional tournaments.

Should a tie exist for 1st place in the PAL/CCS Playoff, a “scorecard playoff” shall be used to resolve the tie the tie comparing the cumulative score of the 5 golfers used to establish the tie on holes 4-9, 7-9, and finally the 9th hole ... until a cumulative winning “team” score is determined. In the case of multiple golfers having the same “fifth best score” for a team, the coach must designate which of the golfer's score he wishes to use in the scorecard comparison before the tie-breaking process begins. Once the tie-breaking process has begun, the selection of golfer cannot be changed. If the tie breaking procedure (involving the 5 best golfers) listed above fails to resolve the tie, the 6th (dropped) golfer's score shall be added to each tied school's team score. If a tie still exists, the “scorecard playoff” procedure shall be applied to each team's score utilizing all six golfer's scorecards. In the event that a tie still exists, a coin toss (two teams tied) or a blind draw (three or more teams tied) shall be used to resolve the tie.

The four teams not advancing through the PAL/CCS playoff as the PAL's 2nd automatic CCS qualifier, may petition the CCS Golf Committee for entry into the CCS post season tournament as an “at-large” candidate.
