1. MASTER CONTRACT

This Master Contract (or Agreement) is entered into on July 1, 2020, between San Mateo County Special Education Local Plan Area, hereinafter referred to as the SELPA) on behalf of member LEAs and (Contractor) (nonpublic, nonsectarian school or agency), hereinafter referred to as the NPS or NPA, as the case may be, or CONTRACTOR for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 et seq. and Title 5 of the California Code of Regulations section 3000 et seq. AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit any Local Education Agency (LEA) member of the SELPA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR as documented on an Individual Services Agreement.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as ISA) as specified in the SELPA and/or LEA Procedures. Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR’S obligation to provide all services specified in the student’s Individualized Education Plan (hereinafter referred to as IEP). The ISA shall be executed within ninety (90) days of a student’s enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing. Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as OAH) or judicial order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student’s parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as CDE) as a nonpublic, nonsectarian school/agency. All NPS and NPA services shall be provided consistent with the area of certification and licensure specified by CDE Certification and as defined in Education Code, section 56366 et seq and within the professional scope of practice of provider’s license, certification and/or credential. A current copy of NPS/NPA certification or a waiver of such certification issued by the CDE pursuant to Education Code
section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR, and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a CDE Certified nonpublic, nonsectarian school/agency program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children’s institution (hereinafter referred to as LCI), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a CDE Certified nonpublic, nonsectarian school/agency program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

A current copy of CONTRACTOR’s licenses and NPS/NPA certifications, or a valid waiver of such certification issued by the CDE pursuant to Education Code section 56366.2, must be submitted to the SELPA on or before the date the Master Contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and as stated in Section 24 of the Master Contract.

With respect to CONTRACTOR’s certification, failure to notify the LEA and CDE, in writing, of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program, may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

CONTRACTOR must immediately (and under no circumstances longer than three (3) calendar days) notify the SELPA if any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, pursuant to an administrative or legal complaint or lawsuit, or otherwise nullified during the period of this Master Contract. If any such licenses, certifications or waivers are expired, suspended, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract shall be null and void.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of CONTRACTOR’s failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).
CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE NPS/NPA certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2020 to June 30, 2021 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. No party to this contract, including the CONTRACTOR, the SELPA, nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2020. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the SELPA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR’s ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes the LEA Procedures, which are incorporated herein by this reference, and each Individual Service Agreement, which are incorporated herein by reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties. Notwithstanding the foregoing, the LEA may modify internal LEA Procedures from time to time without the consent of CONTRACTOR. LEA must notify CONTRACTOR in writing of any modifications to the LEA Procedures that may be relevant to the services provided by the CONTRACTOR. CONTRACTOR is not obligated to agree to terms it does not know, contemplate or understand at the time of execution of this contract but will agree to consider any reasonable modifications.

CONTRACTOR shall provide the SELPA with information as requested in writing to secure a Master Contract or a renewal. At a minimum, such information shall include copies of relevant employees current credentials, licensure and/or clearance, insurance documentation and CDE certification, which may be submitted electronically. The LEA may require additional information as applicable upon completion of an Individual Service Agreement. If the application is not completed and returned to SELPA, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to SELPA duly signed by an authorized representative within ninety (90) calendar days of issuance by SELPA, the new contract rates will not take effect until the newly executed Master Contract is received by SELPA and will not be retroactive to the first day of the new Master Contract’s effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety (90) day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to SELPA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, all parties shall continue to be bound to all of the terms and conditions of the most recently executed Master Contract between CONTRACTOR, SELPA and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT
This Master Contract shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services during the term of this Master Contract. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student’s educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student’s IEP. At any time during the term of this Master Contract, a student’s parent, CONTRACTOR, or LEA may request a review of a student’s IEP subject to all procedural safeguards required by law.

Unless otherwise specified in Section 60 related to Emergency Closures in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP/ISA, unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and Title 5 of the California Code of Regulations, section 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the term of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to students as a result of lack of provision of services while the student was served by the NPS or NPA and for which the CONTRACTOR was paid under the ISA. The LEA is responsible for ensuring that compensatory service hours awarded to the student are provided, whether by CONTRACTOR or by LEA providers. For services not included prior paid invoices, payment for compensatory service hours will be agreed upon by CONTRACTOR and LEA and will be based upon the attached Rate Schedule.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be directed to the Senior SELPA Administrator and may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

Such log shall be maintained as required by California Education Code section 49064 and include the name, title, agency/organization affiliation, and date/time of access for each individual requesting or receiving information from the student’s record. Such log need not record access to the LEA’s pupil records by: (a) the LEA pupil’s parent(s) or legal guardian(s), or by CONTRACTOR employees listed at the secure location. However, all other individuals, properly granted access to the LEA pupil’s records, such as (a) an individual to whom written consent has been executed by the LEA pupil’s parent(s) or legal guardian(s), and (b) employees of the LEA or CONTRACTOR having a legitimate educational interest in requesting or receiving information from the records, must have such access recorded in the log.

CONTRACTOR/LEA shall maintain copies of any written parental concerns, requests for access to records or written permission granting access to student records. For purposes of this paragraph, “employees of LEA or CONTRACTOR” do not include subcontractors. CONTRACTOR shall grant parents access to student records, and comply with parents’ requests for copies of student records, to the full extent required by state and federal laws and regulations. 14. TERMINATION

This Master Contract or any ISA may be terminated with or without cause. The cause shall not be the availability of a public class initiated during the period of the Master Contract unless the parent agrees to the transfer of the student to the public school program at an IEP team meeting or a final OAH or judicial decision authorizes the transfer. To terminate the contract or ISA either party shall give twenty (20) days prior written notice (California Education Code section

A. **Commercial General Liability** coverage including bodily injury and property damage, with limits of $3,000,000 per Occurrence and $6,000,000 in General Aggregate. The policy shall be endorsed to include the LEA and the Board of Education as additional insureds and shall provide specifically that any insurance or self-insurance maintained by the LEA for whom services are provided pursuant to this Agreement, its subsidiaries, officials and employees shall be in excess of the CONTRACTOR's insurance and shall not contribute with it. 16. INDEMNIFICATION AND HOLD HARMLESS

To the fullest extent allowed by law, CONTRACTOR shall indemnify and hold the SELPA, each LEA for whom services are provided pursuant to this Agreement, and their respective Board Members, administrators, employees, agents, attorneys, volunteers, and subcontractors (SELPA/LEA Indemnities) harmless against all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by negligence, intentional act, or willful act or omission of CONTRACTOR, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding SELPA/LEA and SELPA/LEA Indemnities). The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, SELPA and LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors (CONTRACTOR Indemnities) harmless against all liability, loss, damage and expense (including reasonable attorneys’ fees) resulting from or arising out of this Master Contract or its performance, to the extent that such loss, expense, damage or liability was proximately caused by the negligence, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers LEA employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA’s indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR
Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between or among the SELPA, the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding, provided that LEA abided by all federal, state and local laws.

18. **SUBCONTRACTING**

CONTRACTOR shall provide written notification to SELPA and LEA before subcontracting for special education and/or related services provided pursuant to this Master Contract. The CONTRACTOR shall identify the name and contact information for each subcontractor on the attached List of Subcontractors (Exhibit B). Any changes during the term of this Master Contract to subcontracts for the provision of special education and/or related services (including, without limitation, transportation) shall be communicated to the SELPA and the LEA via written notification provided 10 days prior (or as soon as anticipated alteration is known to the CONTRACTOR) to the change in subcontracting services. In the event of mid-year subcontractor agency changes, the LEA will be provided the opportunity to consider whether it can provide the subcontracted service(s) at a lower rate, and may elect to provide such service(s). If the LEA elects to provide such service(s), the LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR’s original notice and CONTRACTOR shall not subcontract for said service(s). In the event of an unanticipated need to alter the subcontract or subcontractor, the CONTRACTOR shall inform the SELPA and the LEA of changes no later than three (3) business days after the alteration to the subcontractor list.

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. When CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Subcontractor’s insurance shall comply with the provisions of Section 15. Each subcontractor shall maintain and make available to the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be maintained and made available to the LEA before the subcontractor’s work commences. The Commercial General Liability and, where appropriate, Automobile Liability policies shall include the LEA, the LEA/SELPA and their respective governing boards, administrators, employees and agents as additional insureds with respect to the Services provided under this Agreement, including defense costs but excluding the proportionate share of negligence of such additional insureds.

As an alternative to the LEA’s forms, a subcontractor’s insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance shall reference the LEA contract number if any, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract. Automobile Liability policies shall name the LEA,
SELPA, and their respective governing boards, administrators, employees and agents as additional insureds.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to SELPA a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student’s advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not request or recommend placement at CONTRACTOR’s facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest. The CONTRACTOR shall have in place a policy to ensure that employees inform CONTRACTOR of any dual relationship with parents of students who are clients of LEA and/or CONTRACTOR. CONTRACTOR shall inform LEA of parents who hire employees of CONTRACTOR to provide independent services for parents on behalf of their students outside business hours. The LEA may find that this type of dual relationship is a conflict of interest and may request that any employee of the CONTRACTOR who engages in a dual relationship be reassigned from providing support services to the student during school hours.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR’s school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as “IEE”) and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a NPACy, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free “scholarship” basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

Neither party shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group.
affiliation, religion, age, gender, gender identity or expression, sex, sexual orientation, marital status, pregnancy or parental status, ethnic group affiliation, ethnicity, race, color, ancestry, nationality, national origin, religion, or mental or physical disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics, in employment or operation of its program.

EDUCATIONAL PROGRAM

LEA shall provide CONTRACTOR with a copy of the IEP including the Individual Transition Plan, as required, of each student served by CONTRACTOR. CONTRACTOR shall provide to each student for whom an ISA has been executed, special education and/or related services (including transition services) within the NPA or NPS consistent with the student’s IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student’s IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease. Pursuant to California Education Code section 56366(b), transportation shall not be provided through the use of services or equipment owned, leased, or contracted by the LEA for students served by CONTRACTOR unless those services and equipment are provided directly or subcontracted by the CONTRACTOR.

Unless otherwise agreed in writing, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for students, as specified in the student’s IEP and ISA. If an individual’s IEP/IFSP requires specialized low incidence equipment based on their qualifying disability, the specialized equipment and/or supplies shall be provided by the LEA unless otherwise specified in the ISA. The LEA shall provide the low incidence equipment and/or supplies identified in the pupil’s IEP/IFSP, unless the CONTRACTOR specifically agrees in the ISA to provide them. Supplies and/or equipment purchased and/or provided by the SELPA/LEA remain the property of the SELPA/LEA, and supplies and/or equipment purchased by the CONTRACTOR remain the property of the CONTRACTOR.

In the event that a foster youth may be placed in a NPS, the Contractor and LEA will work collaboratively with the LEA Foster Youth Liaison to ensure and facilitate proper school placement enrollment, transfer of credits, records, grades and checkout from school. (EC 48853.5 (e) (1) and AB490) Whenever a change in foster child’s residence occurs, the foster child has a right to remain in the school of origin for the duration of the school year. Decisions regarding placement are IEP decisions which should include participation of LEA Foster Youth Liaison as appropriate.

CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student’s IEP and ISA (including, but not limited to, screenings, assessments, or interviews or meetings that occur prior to or as a condition of the student’s enrollment under the terms of this Master Contract). CONTRACTOR may charge a student’s parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student’s parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student’s parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to LEA requirements concerning parent acknowledgment of financial responsibility as specified in the LEA Procedures.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student’s receipt of special education and/or related services as specified in the student’s IEP and ISA unless the LEA and CONTRACTOR, and PARENT agree otherwise in writing. Any CONTRACTOR who is providing any instructional minutes pursuant to an ISA is required to inform the LEA if the CONTRACTOR is providing the
student with any additional instructional minutes (outside of the ISA) paid for by any other source.

22. GENERAL PROGRAM OF INSTRUCTION

All NPS and NPA services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 et seq., and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations. No services will be provided by the CONTRACTOR outside the CONTRACTOR’s Certification unless otherwise agreed to in writing by the LEA.

When CONTRACTOR is an NPS, CONTRACTOR’s general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA’s and CDE’s standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE’s standards regarding the particular course of study and curriculum; (d) provide the services as specified in the student’s IEP and ISA. When CONTRACTOR serves students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the LEA’s students who are served by the CONTRACTOR leading toward graduation or completion of LEA’s diploma requirements. CONTRACTOR and LEA shall collaborate to ensure an approved course of study is included on all appropriate IEPs and Individual Transition Plans. The placing LEA shall accept approved course of study for consideration of awarding an LEA Diploma or Certificate of Completion. CONTRACTOR may provide a certificate of attendance or other ceremonial document at the end of a placement, but Certificate of Completion, Diploma or official documentation shall be issued by the LEA as per education code.

The NPA providing Behavior Intervention services shall develop a written behavior plan that specifies the nature of its behavior support services for each student within thirty (30) days of enrollment, or as determined by the IEP team as appropriate, and shall provide the BIP in writing to the LEA.

School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized in writing by the IEP team. Except for services provided by a CONTRACTOR that is a licensed children’s institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided that a guardian or caregiver must have a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract.
CONTRACTORS providing Behavior Intervention services must have a trained Behavior Intervention specialist or trained equivalent on staff. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is an NPA, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless the LEA and CONTRACTOR agree otherwise in writing.

23. **INSTRUCTIONAL MINUTES**

When the CONTRACTOR is an NPS, the total number of instructional minutes per school day provided by CONTRACTOR shall be consistent with the total number of instructional minutes established for LEA schools at like grade levels, unless otherwise specified within the student’s IEP/IFSP or ISA, provided the ISA meets the minimum standards for instructional minutes as specified in Education Code. The number of instructional minutes shall be exclusive of breakfast, recess, lunch and passing time. For Pre-K through grade twelve (12), unless otherwise specified on the student’s IEP/IFSP or ISA, the minimum instructional minutes shall be consistent with minimum standards as specified in Education Code, and in no case will be less than the amount as specified in the IEP/IFSP.

24. **CLASS SIZE**

When CONTRACTOR is an NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one (1) teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative of each student enrolled in the class, class size may be temporarily increased for no more than thirty (30) days by a ratio of one (1) teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event an NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the CDE Certification of that school, the NPS shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period of no more than thirty (30) days per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to an NPA.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. **CALENDARS**
The CONTRACTOR shall submit to the LEA/SELPA a school calendar for the CONTRACTOR with each student ISA. The calendar shall indicate the total number of billable days not less than 180 regular school year days, plus extended school year (ESY) billable days equivalent to the number of days determined by the IEP/IFSP team. Determination of the number of school days, plus extended school year is made by the IEP team. A student shall only be eligible for extended school year services if such are recommended by the IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of not less than twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Days of extended school year in excess of twenty (20) billable days must be mutually agreed to as part of the IEP, prior to the start of the extended school year.

Unless otherwise stated in the Student’s IEP, billable days shall include only those days that are included in the submitted and approved school calendar, or required by the IEP for each LEA student. CONTRACTOR will adhere to the requirements for providing Extended School Year as outlined in Title 5, Article 4 of the California Code of Regulations. Unless otherwise specified by the students’ IEP and/or ISA, educational services shall occur at the school site. Any instructional days provided outside the approved school or service calendar without written agreement shall be at the sole financial responsibility of the CONTRACTOR.

Students must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment, unless otherwise outlined in Section 60 Emergency Closures. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR will observe legal holidays on the same days as LEA and will observe the same number of legal holidays as the LEA. Those legal holidays include Labor Day, Veteran’s Day, Thanksgiving Day, Christmas Day, New Year’s Day, Martin Luther King, Jr. Day, President’s Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR is closed in observance of any of the holidays observed by an LEA may include Martin Luther King, Jr. Day, Cesar Chavez Day, or other days as identified by the LEA adopted calendar. Submission of a calendar by the CONTRACTOR shall serve to inform LEA of any holiday observed by the LEA on which the CONTRACTOR intends to remain open and to provide service to students.

When CONTRACTOR is an NPA, CONTRACTOR shall be provided with a LEA-developed and approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student’s IEP and ISA. Unless otherwise specified in the LEA student’s IEP and ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student’s school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless otherwise specified in the student’s IEP and ISA. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days/services provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA with all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this Agreement, including student discipline as noted below, and requested by and in
the format required by the LEA. CONTRACTOR may utilize the Special Education Information System (SEIS) if approved by the LEA for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access to the SEIS IEP database for the purposes of completing LEA requested activities consistent with SELPA Policy.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR’s provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all SELPA and LEA policies and procedures that support Least Restrictive Environment options and/or Dual Enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined a student should transition into the public school setting, CONTRACTOR shall assist LEA in implementing the recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

Where CONTRACTOR is an NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress (CAASPP), California Alternative Assessment (CAA), California Science Test (CAST), Desired Results Developmental Profile (DRDP), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, and the English Language Proficiency Assessments for California (ELPAC), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines, unless otherwise determined by the LEA in agreement with the Contractor.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each student placed with CONTRACTOR by the LEA shall be tested, as determined by the IEP team, by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR’S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA. The LEA shall send test results to the CONTRACTOR and shall ensure that the test results are reported to the CDE as required by Education Code Section 56366 (a)(8)(A). LEA shall provide NPS with the SSID for each LEA pupil. LEA shall cooperate with CONTRACTOR to accommodate CONTRACTOR’s testing window. (Education Code Section 56366 (a)(8)(B)).
29. **MANDATED ATTENDANCE AT LEA MEETINGS**

Provided said meetings are relevant to CONTRACTOR’s services, CONTRACTOR shall attend LEA mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s) and CONTRACTOR shall not bill the LEA or the SELPA for such attendance. Attendance may be in person or by electronic means at the mutual agreement of the parties.

30. **POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS**

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2 regarding positive behavior interventions. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive support and interventions in accordance with the federal law and its implementing regulations. If the IEP team determines that a student’s behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan (BIP), the IEP team may conclude it is sufficient to address the student’s behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all staff members are trained annually in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR’s pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a Behavior Emergency Report (BER) when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. CONTRACTOR shall notify the SELPA, LEA and the parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed
above. Emergencies **require** a BER form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify the Parent within twenty-four (24) hours via telephone. If the student does not have a BIP an IEP team shall confer to schedule a meeting within two (2) days, and at such meeting, review the BER, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student has a BIP, the IEP team shall review and modify the BIP if a new behavior has been exhibited or the IEP team finds it necessary to review and modify the IEP. A copy of the BER shall be provided to the LEA and the SELPA.

Pursuant to Education Code Section 56521.2, CONTRACTOR is subject to the following:

(a) A local educational agency or nonpublic, nonsectarian school or agency serving individuals with exceptional needs pursuant to Sections 56365 and 56366, shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric shock.
2. An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual.
3. An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities.

56. **CONTRACTING, SERVICE TRACKING, ATTENDANCE REPORTING, AND BILLING**

CONTRACTOR shall assure the necessary financial resources exist to provide an appropriate education for the students enrolled and will utilize those resources in such a manner to implement the IEP and ISA for each and every child.

CONTRACTOR shall comply with all LEA Procedures concerning enrollment, contracting, attendance reporting, service tracking and billing including requirements of electronic billing as specified by the LEA Procedures. CONTRACTOR shall be paid for the provision of special education and/or related services specified in the student’s IEP and ISA. All payments by LEA shall be made in accordance with the terms and conditions of this Master Contract and in compliance with the LEA Procedures and will be governed by all applicable federal and state laws.

CONTRACTOR shall maintain separate registers for the basic education program, each related service, and services provided by instructional assistants, behavior intervention aides and bus aides. Original attendance forms (i.e., roll books for the basic education program, service tracking documents and notes for instructional assistants, behavioral intervention aides, bus aides, and each related service) shall be completed by the actual service provider whose signature shall appear on such forms and shall be available for review, inspection, or audit by LEA during the effective period of this contract and for a period of five (5) years thereafter. Invoices and related documents shall be properly submitted electronically when feasible and in addition, on an LEA form with signatures in the manner prescribed by LEA in the LEA Procedures. At a minimum, each invoice must contain the following information: month of service; specific days and times of services coordinated by the LEA approved calendar unless otherwise specified in the IEP or agreed to by the LEA; name of staff who provided the service; approved cost of each invoice; total for each service and total for the monthly invoice; date invoice was mailed; signature of NPS/NPA administrator authorizing that the information is accurate and consistent with the ISA, CDE certificates and staff notification; verification that attendance report is attached as appropriate; indication of any made-up session consistent with this contract; verification that progress reports have been provided consistent with the ISA (monthly or quarterly unless specified otherwise on the ISA); and name or initials of each student for whom the service was provided. Such an invoice is subject to all conditions of this contract. In collaboration with the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA’s receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. In no case shall any rebilling for the Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. Neither the SELPA nor the LEA will pay mileage for CONTRACTOR employees. Contractor must submit a bill to LEAs/SELPA within sixty (60) days from the date of service. If a bill is submitted after sixty (60) days, the LEA/SELPA will not be responsible for payment of the bill. If the LEA fails to comply, the nonpublic, nonsectarian school/agency may require the LEA to pay an additional amount of 1½ percent (1.5%) of the unpaid balance per month until full payment is made. EC.56366.5

57. **RIGHT TO WITHHOLD PAYMENT**

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, satisfactory services under the terms of this Agreement; (b) CONTRACTOR was overpaid by LEA for services under this Agreement, as determined by inspection, review, and/or audit of its program, work, and/or records; (c) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by California Education Code Section 56366(c)(2); (d) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (e) LEA has not received, prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR’s educational program; (f) CONTRACTOR fails to confirm a student’s change of residence to another LEA or confirms the change or residence to another LEA, but fails to notify LEA with five (5) days of such confirmation; (g) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student; or (h) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (e) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(e)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR’s educational program; (g) CONTRACTOR fails to confirm a student’s change of residence to another district or confirms the change or residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It
is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the provisions of this section are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA’s withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall either (a) provide to LEA a statement that CONTRACTOR does not contest the withholding of payment; or (b) take all necessary and appropriate action to correct the deficiencies that form the basis for LEA’s withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR’s written request showing good cause, LEA shall extend CONTRACTOR’s time to correct deficiencies (usually an additional thirty (30) days), if, in the sole discretion of the LEA, good cause for such an extension is shown. Otherwise, payment will be denied.

If, after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR’s notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA’s response to CONTRACTOR’s notice, CONTRACTOR may invoke the following payment dispute resolution policy.

After forty-five (45) business days: The CONTRACTOR may notify the LEA’s Authorized LEA’s Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: Disagreements between the LEA and CONTRACTOR concerning payments under this the Master Contract may be appealed to the Senior SELPA Administrator for mediation. If the Senior SELPA Administrator is unable to resolve the payment dispute, the parties may appeal to the County Superintendent of Schools or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code Section 56366(c) (2).

58. **PAYMENT FROM OUTSIDE AGENCIES**

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students, or when
payments are received by CONTRACTOR from such other agency for such costs. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students.

LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student’s IEP.

Per Diem rates for students whose IEPs authorize less than a full instructional day may be adjusted on a pro rata basis in accordance with the actual proportion of the school day the student was served by mutual agreement between the LEA and NPS. LEA shall not be responsible for payment of services or related services for days on which a student’s attendance
does not qualify for ADA under state law related to minimum instructional minutes, nor shall student be eligible for make-up services.

**NONPUBLIC AGENCY STAFF ABSENCE**

Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as result of CONTRACTOR’s over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state, federal, and/or an independent agency/firm.
