The Graduation Rate Indicator measures the percent of students who graduated from high school within either a 4-Year cohort (Traditional Schools) or a 1-Year cohort (Alternative Schools).

For more information, please visit the following California Department of Education Webpage.

Performance Highlights

- Cabrillo Unified has the highest Graduation rate of districts that earned a Performance Level/color at 93.4%
- Countywide, San Mateo Union High School District experienced the greatest increase in All Student graduation rates (+2.3%)
- La Honda-Pescadero Unified achieved a 95.8% graduation rate, but student group size prevented a color designation

Hispanic/Latino and Socioeconomically Disadvantaged student groups in La Honda-Pescadero Unified (H/L 94.1%, SED 100%) and Pacific Islander students in San Mateo Union (93.3%) have the highest graduation rates among historically underrepresented student groups.
