

Masking on Campus

On School Buses

Masks are required for everyone unless exempt according to California Department of Public Health Guidance

When Outdoors

At this time, masks are optional for everyone except students in modified quarantine; schools require masks when they deem it appropriate

When Indoors

Masks are required for everyone unless exempt according to California Department of Public Health Guidance

Wearing a well-fitting mask reduces the risk of transmitting COVID-19 by **90%**

If someone with COVID-19 wears a mask, they reduce the risk of transmission by **70%**

If healthy people wear masks, they reduce their risk of infection by an additional **20%**

Help keep schools open for in-person learning. Wear a mask.
