

Sexual Orientation Gender Identity (SOGI) Safe Schools Meetings

All students, no matter their sexual orientation or gender identity, deserve a safe and supportive learning environment. Countless reports, however, show that youth who identify as lesbian, gay, bisexual, transgender, queer, and/or questioning (LGBTQ+) are more at risk of being victims of bullying, experiencing health issues, and attempting suicide.

Attend the SOGI Safe Schools Meetings to help students who identify as LGBTQ+ receive the support, affirmation, and safety they need to overcome these barriers and reach their full potential.

MEETINGS CONSIST OF:

- ▶ Presentations from local providers and experts
- ▶ Discussions on important topics such as addressing legal issues, creating inclusive policies, and providing mental health supports
- ▶ Opportunities to share challenges and success stories with educators in similar roles
- ▶ Announcements of upcoming events and opportunities

SOGI Safe Schools Meetings are scheduled on the third Thursday of every month from 3:30 - 5:00 PM.
