PEDESTRIAN SAFETY TIPS

Keep your eyes up, and your phone down.

Look left, right and left again before crossing the street.

Always walk on sidewalks. If there are no sidewalks, walk facing traffic as far to the left as possible.

Wear bright-colored clothing or reflective gear if walking at night.

Make eye contact with drivers before crossing the street.

Do not run or dart out into the street or cross between parked cars.

Visit gosafelyca.org for more safety tips and information.
