- **Ask Direct Questions.** Talking about suicide or asking a student if they feel suicidal does not plant the idea in their head.
 - Do you want to kill yourself?
 - Do you have a plan to kill yourself?
 - Do you have access to the means?
- **Keep Student Safe.** Stay with them until someone else arrives. Ask the student if they have any weapons or objects that could harm them. If so, remove them.
- **Immediately Notify** your administrative team, mental health professional on campus, or school resource officer to assess the student for suicidality.
